SALUTE TO SENIORS

As long ago as it may seem,
We have not yet forgotten those years
When once we were so young . . .

We must be on our way now,
Beginning life's long journey —
Striving for success,
Looking for happiness,
Seeking out the love we all need.

On this long road ahead,
We can only hope not to lose
that special spirit of youth —
Not to take life too seriously
When things become too difficult.

Leaving the past behind us
And climbing toward what we do not know
We have a long journey ahead,
Yet life is much too short —
Live for all that we have now . . .
And the rest we will create.

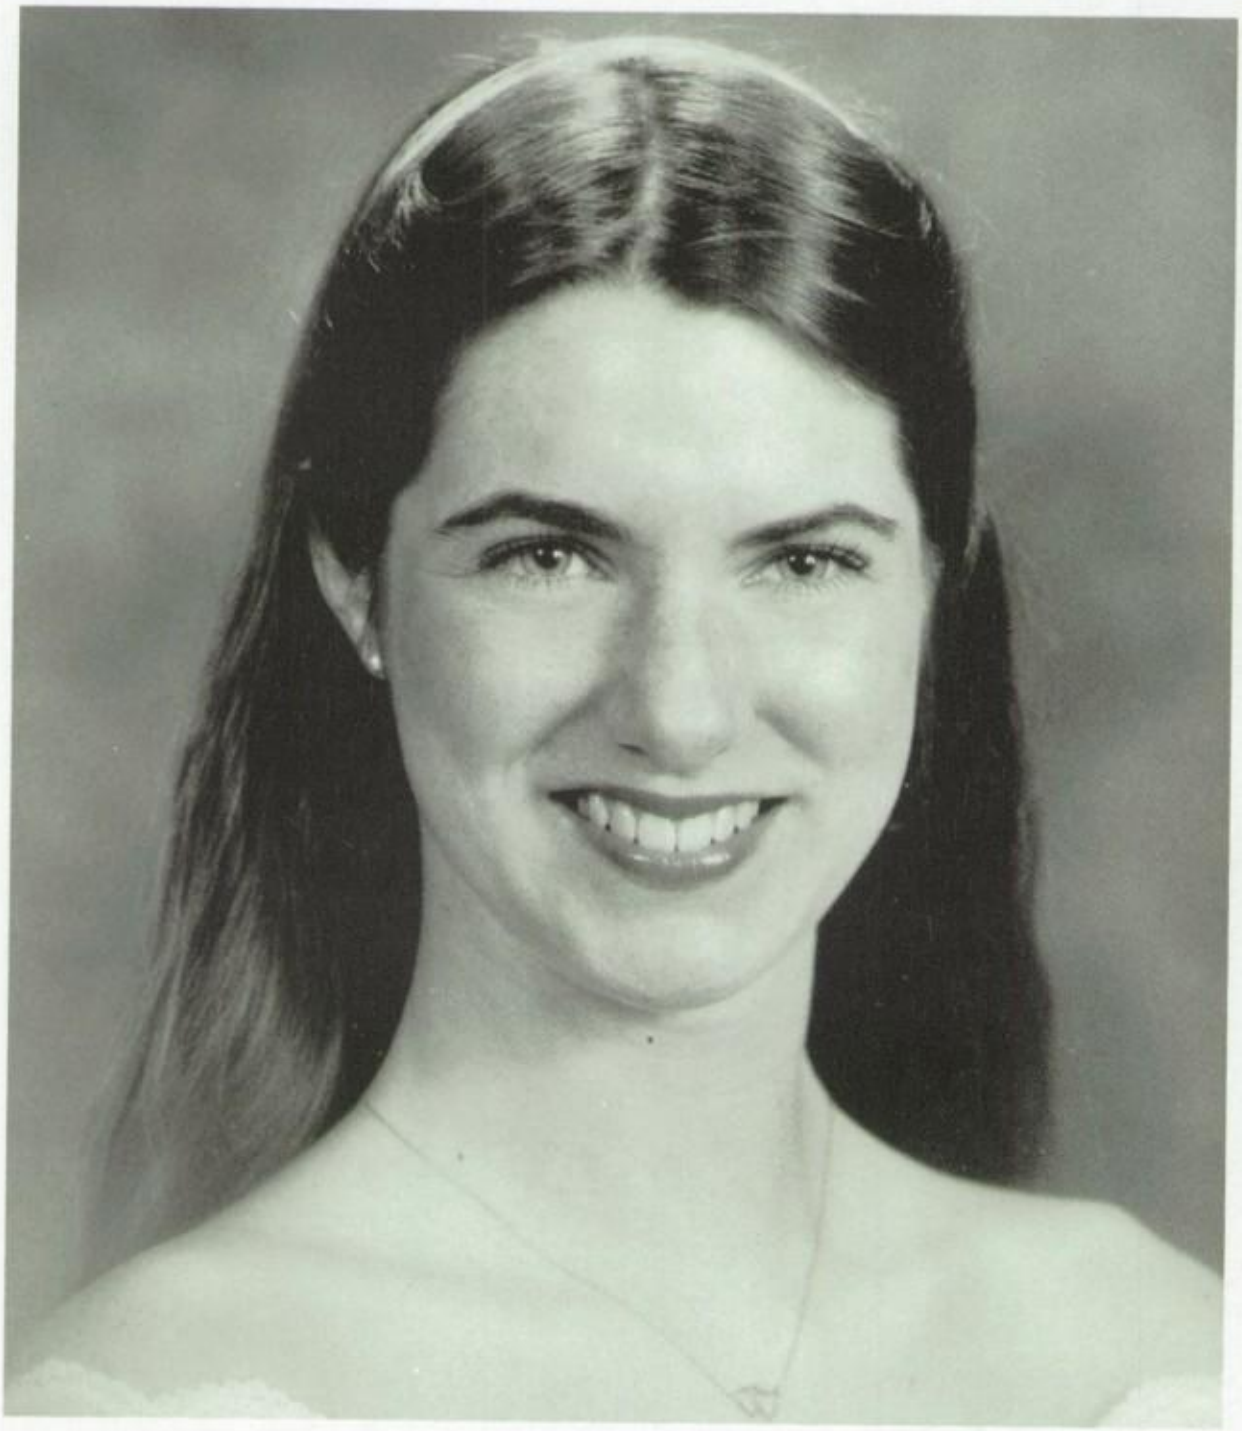
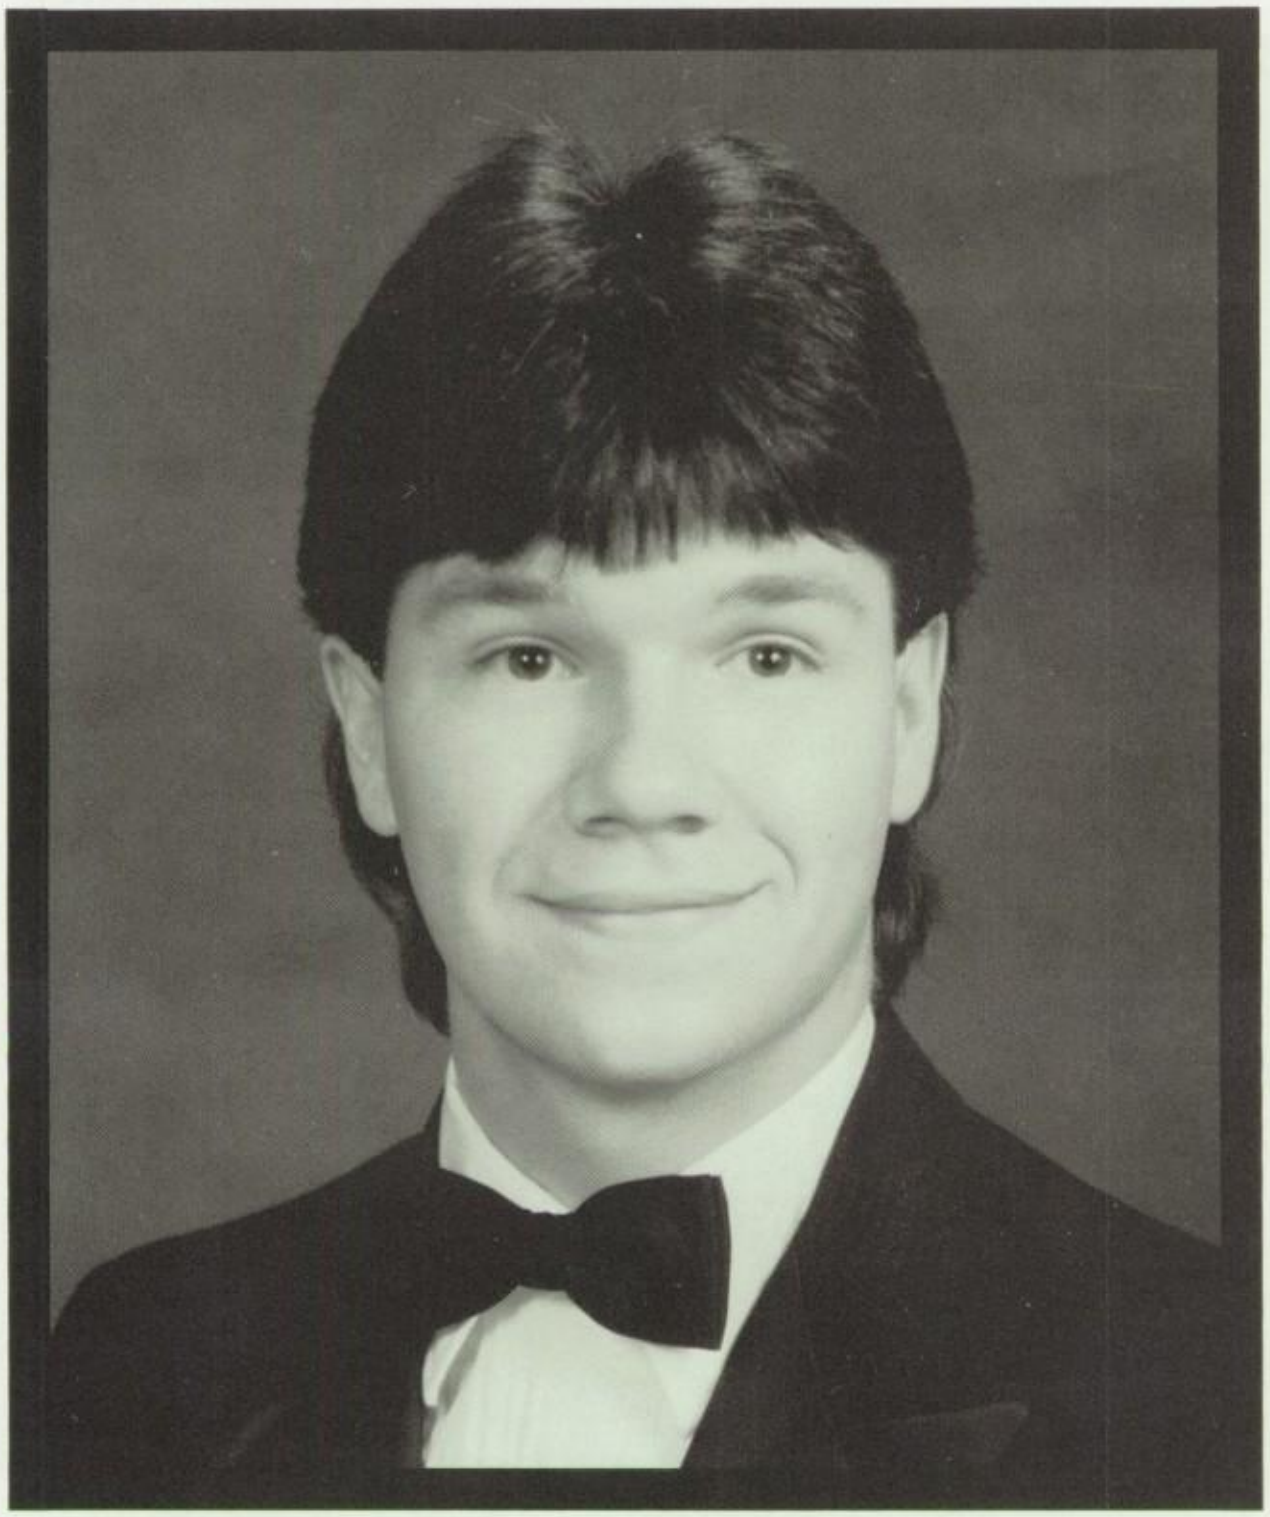
FACULTY AWARD



KAREN CARLISLE

The Faculty Award is the highest award that a student may receive. This award is given to the student who has shown the highest qualities of leadership, scholarship, and citizenship and made the most contributions to the school. This year's recipient of the Faculty Award is Karen Carlisle. Karen served as president of the freshman class, vice president of the sophomore class, and president of the junior class. She excelled in the dramatic category of forensics and served as the treasurer and secretary/treasurer of the Forensic Team and National Forensic League. She was a participant in the Hugh O'Brien Leadership conference her sophomore year and Girls' State in her junior year. She has served as president of the Honor Society and was voted Best All Around and Most Likely to Succeed by the senior class. Karen will graduate valedictorian of her senior class.

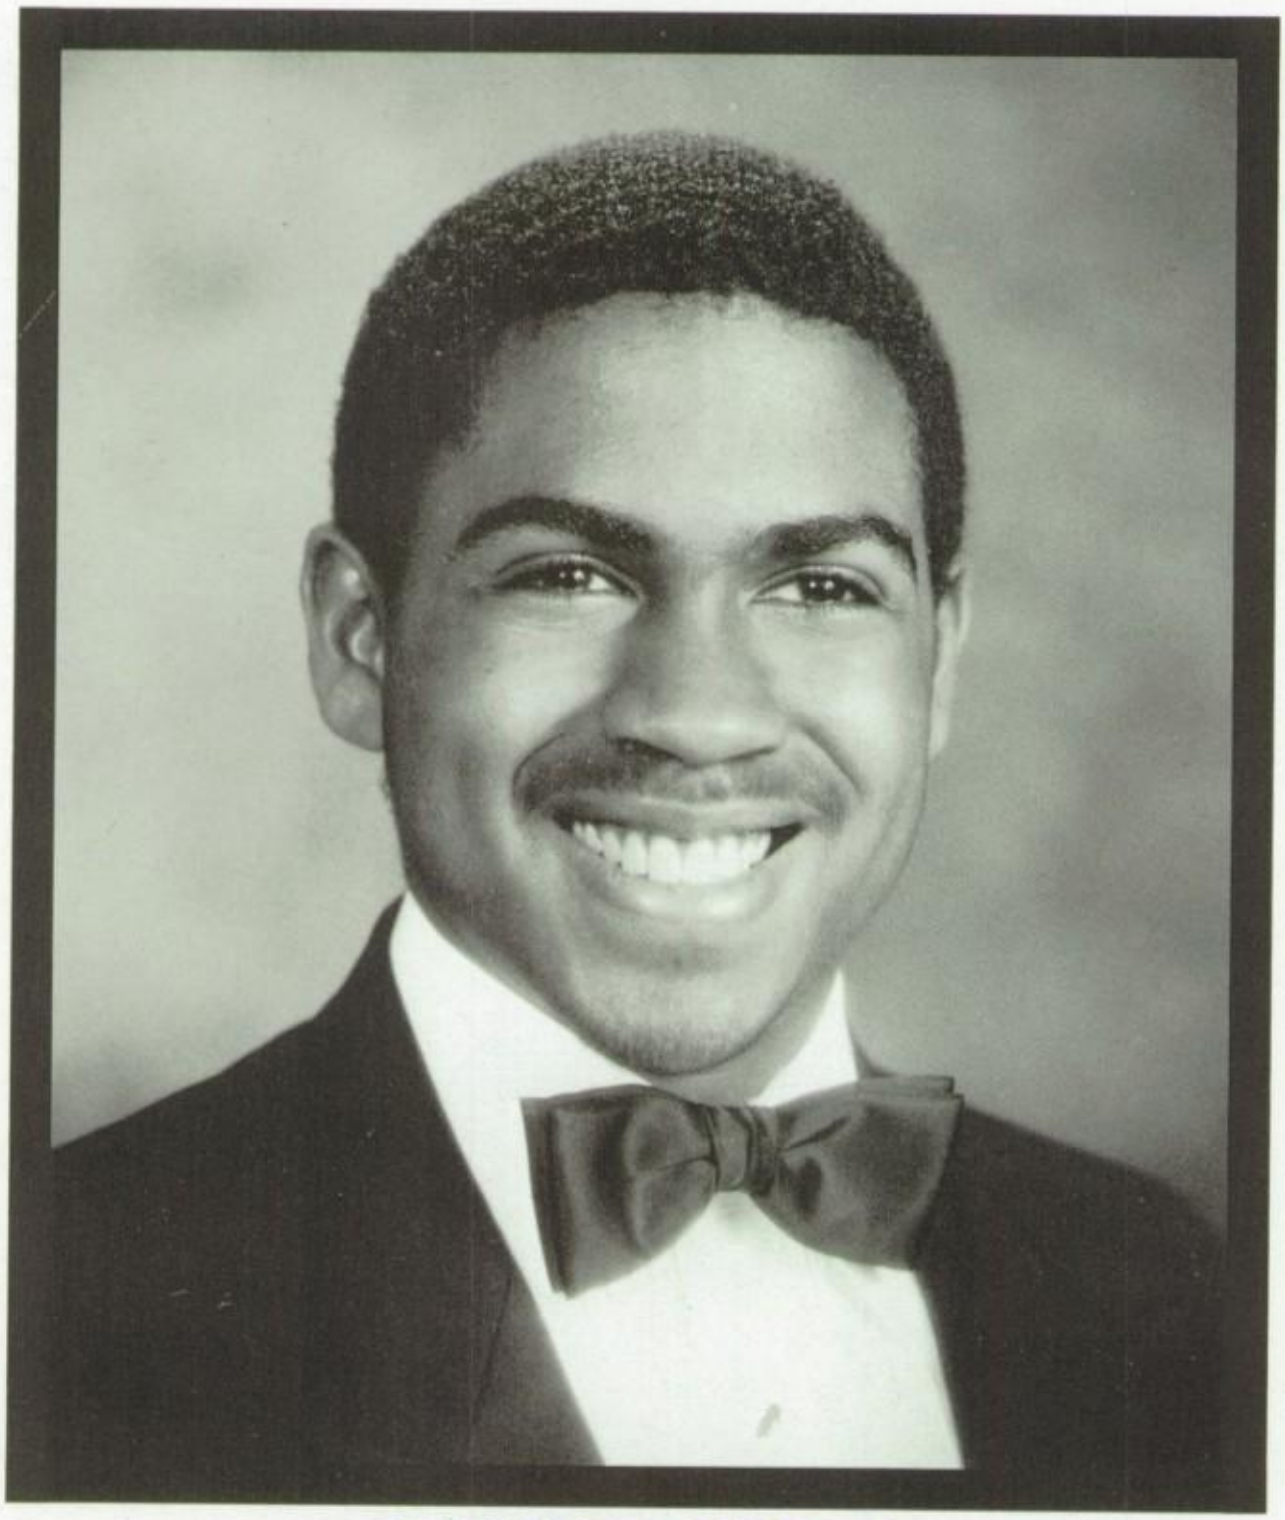
BALFOUR AWARD



BRAD ADLER

The Balfour Award is similar to the Faculty Award, but instead of the Faculty choosing the recipient, the Senior Class does. This award is given to the student whom the Senior Class feels has best displayed the qualities of leadership, scholarship, and citizenship. This year's Balfour Award goes to Brad Adler. Brad has served as President of this year's Student Council. He has also been a member of OEA, VICA, the Civitan Club, the Latin Club and served as an officer of the Physics Club. He received the Science Chair Award in Chemistry during his Junior year. He was chosen as one of the student leaders to serve on the Model Schools Committee and was voted Best-All-Around and Friendliest by the Senior Class.

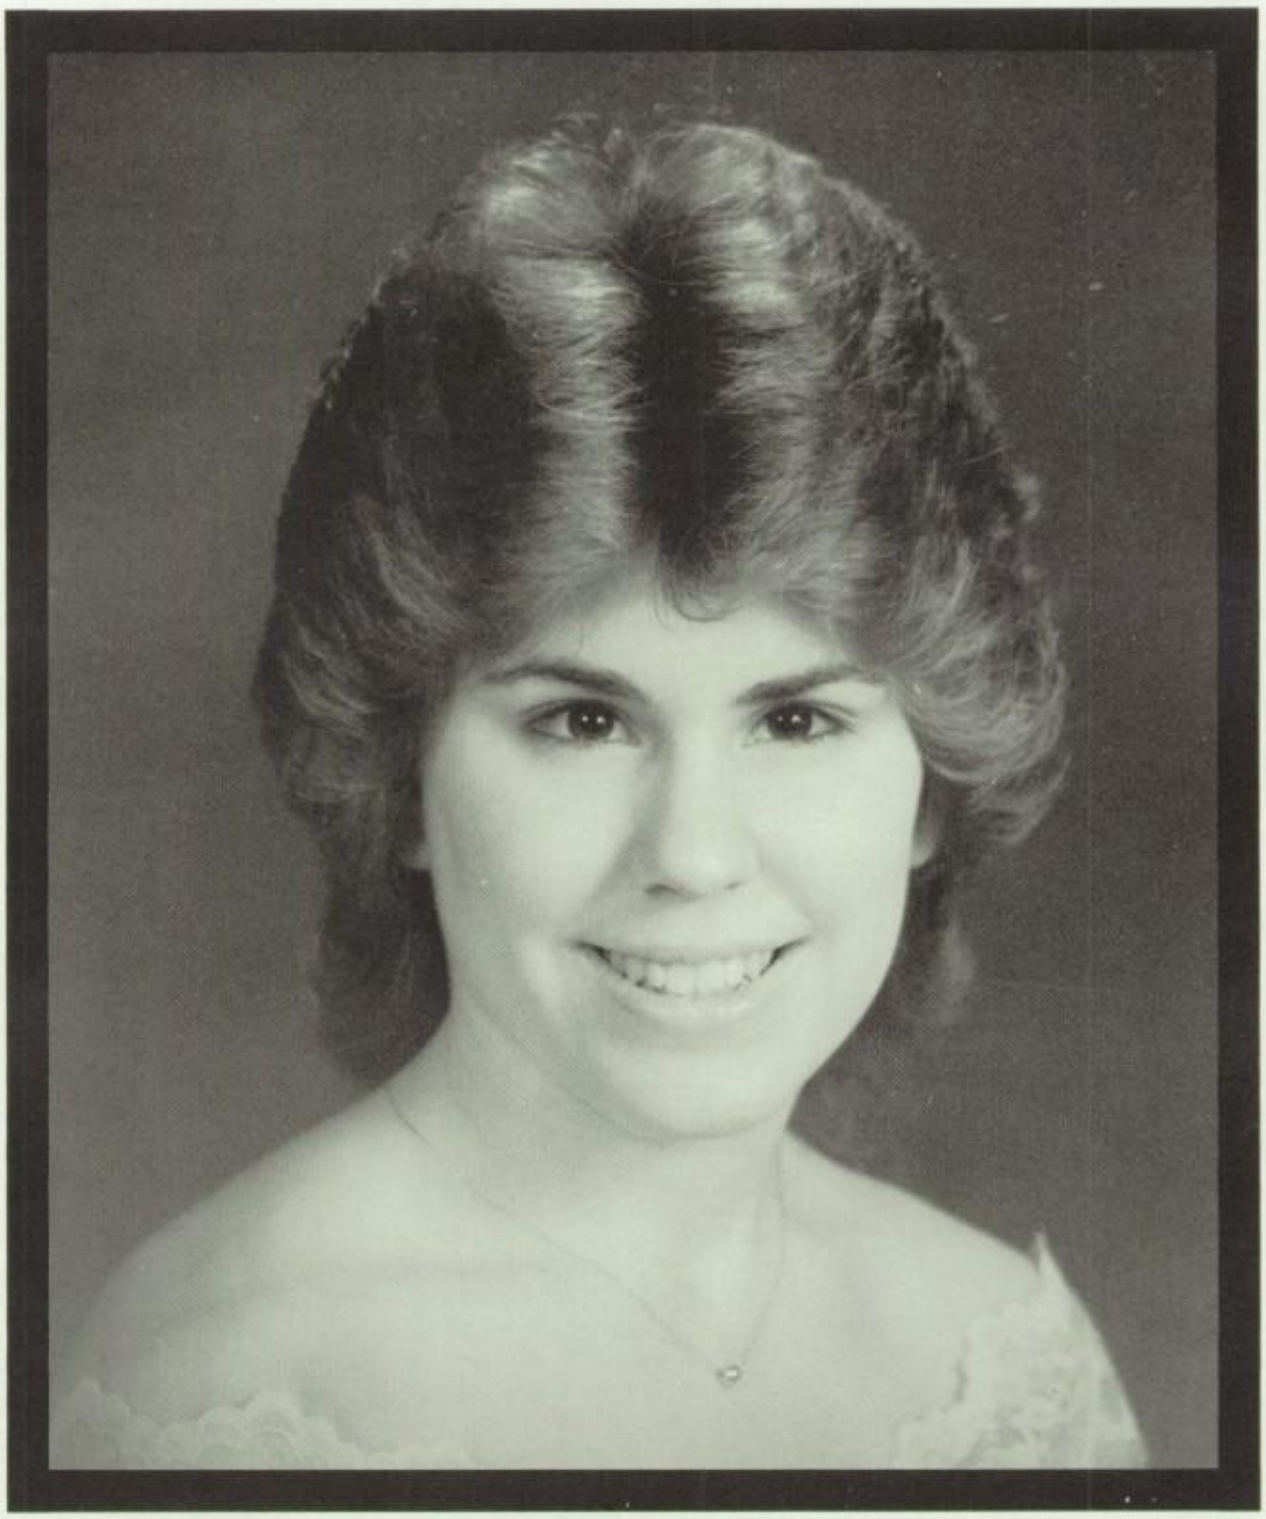
CIVITAN AWARD



RICHARD FUQUA

The Civitan Award is given to the Senior who has displayed an active interest in school and community affairs. This award is given to the student who is nominated by the Senior Class and elected by the Faculty. This year's recipient of the Civitan Award is Richard Fuqua. Richard served as President of his Senior Class. He served as Band Council Representative throughout his high school career. Richard was a participant in Boys' State and an active member of the National Honor Society, Physics Club and Academic Olympics. He was a representative of Glencliff to participate in the INROADS pre-collegiate and talent pool echelons. Richard was Glencliff's representative for the Elk's Club Student-of-the-Month Program. He participated in Vanderbilt's Math Contest each of his high school years, and placed in the top ten two of those years. Richard was voted Most Likely to Succeed by the Senior Class.

D.A.R. AWARD



RENEE JOBE

The Daughters of the American Revolution Award is given to the Senior who has displayed outstanding academic and civic leadership throughout their high school years. The award is nominated by the Senior Class and chosen by the Faculty. This year's D.A.R. Award recipient is Renee Jobe. Renee served as secretary of the National Honor Society. She also served as secretary of the Jr. Civitan Club, and has previously held the office of chaplain. She has been a member of Glencliff Band's flag corps for three years. Renee has also been an active member in many church and community activities. She was a member of Who's Who Among American High School Students. She was Glencliff's representative at the Optimist Club's banquet for outstanding students. Renee will graduate fourth in this year's graduating class.

In Memory of James T. Walker
(1926-1984)

After Glow

"I'd like the memory of me
to be a happy one
I'd like to leave an afterglow
of smiles when life is done.
I'd like to leave an echo
whispering softly down the ways
of happy times and laughing times
and bright and sunny days.
I'd like the tears of those who grieve,
to dry before the sun.
of happy memories that I leave
WHEN LIFE IS DONE!"

LADY COLTS BOB THE CATS

"We can not lose, we are the best
We're head and shoulders above the rest
We're 20 and 0!" The Cats were bragging
With whiskers twitching and tails a wagging

So proud and tall the Bobcats stood
Being undefeated, I guess they should.

The coin was tossed, the whistle blew
The serves were hard and accurate too
We had to bump and spike and dink
We played so good we made them stink

We put them down and in their place
We played our game and broke their face
They tucked their tails, and went their way
And as they left we had to say

"You Cats are good, we're proud of you
But we're #1 and you're #2!"

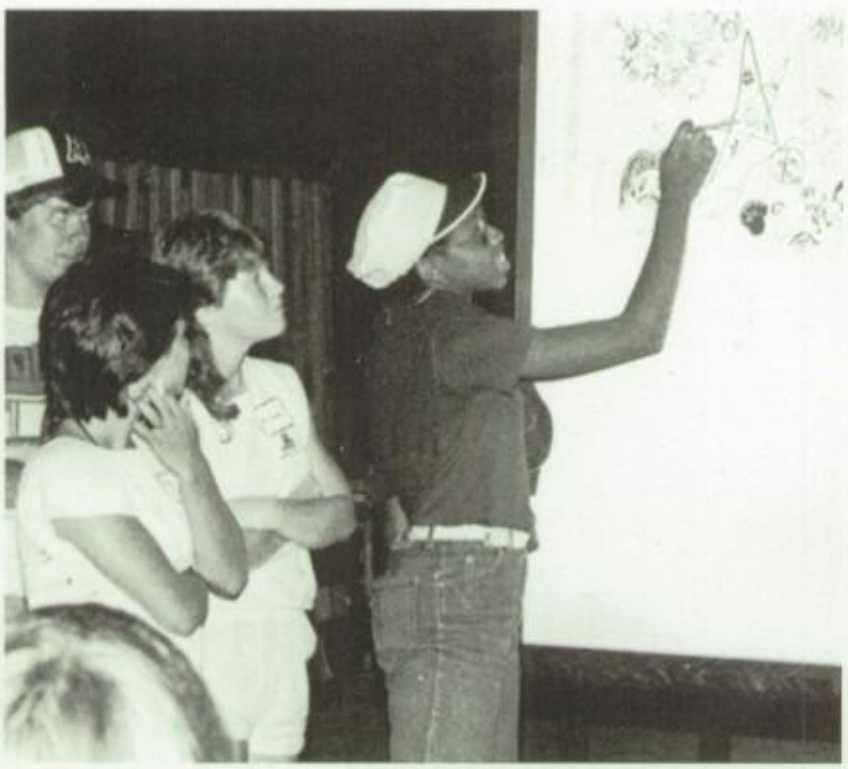
Student Government Elections

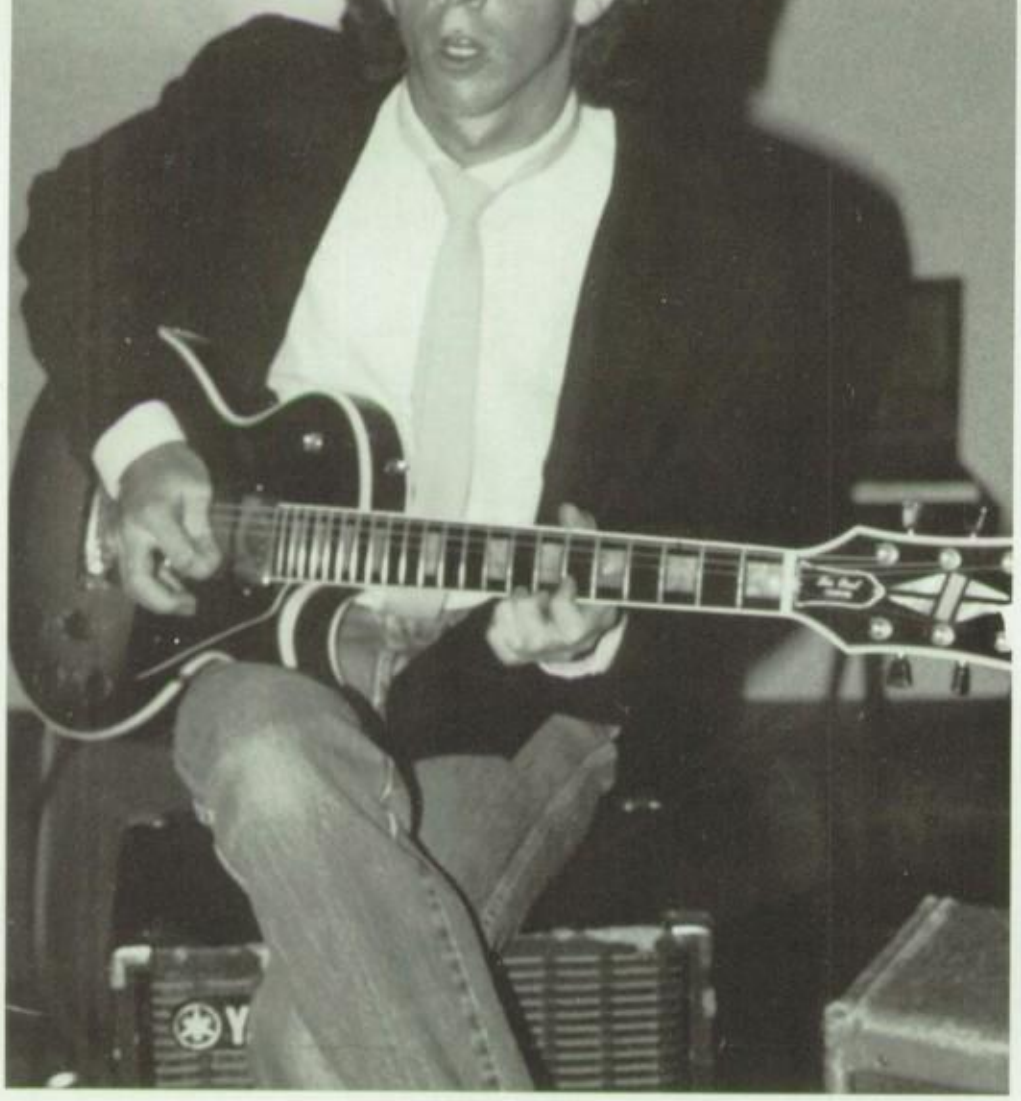
Last spring the 1984-1985 Student Council elections were held. The campaigning and elections lasted for one week. There were many qualified candidates for each office and with the support of the student body, we elected a great cabinet of officers for this school year.

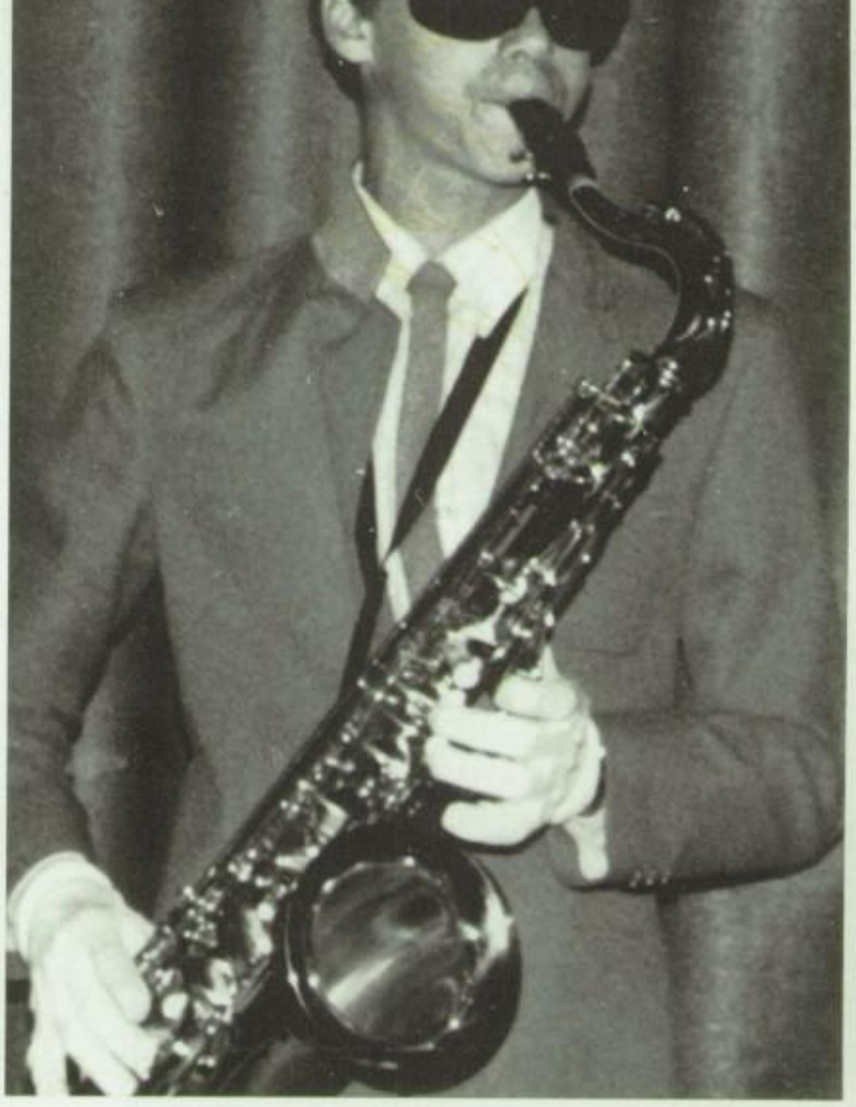
CHICAGO

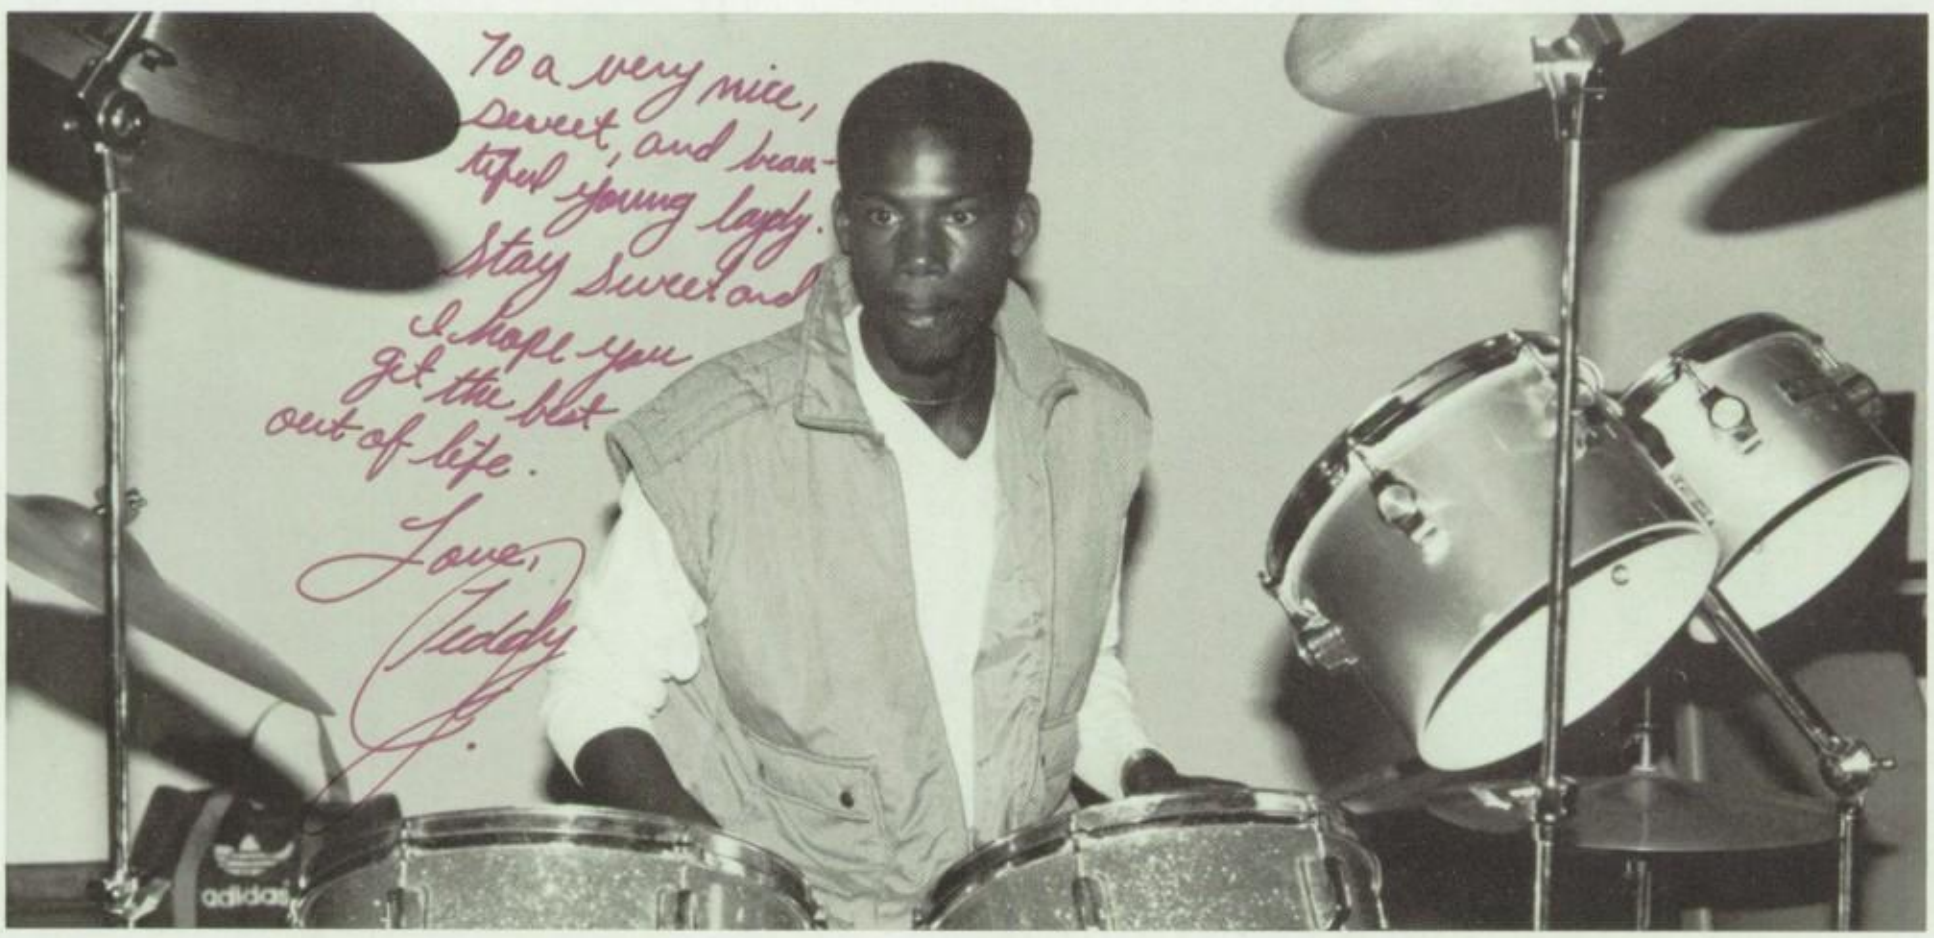


Leadership Retreat

Forty-four Glencliff students and teachers attended a weekend summer retreat August 3, 4, and 5 at Camp Hy-Lake near McMinnville. The students participated in activities involving leadership styles, leadership training, group dynamics, problem solving and decision making. The setting was extremely rustic but a great deal was accomplished.



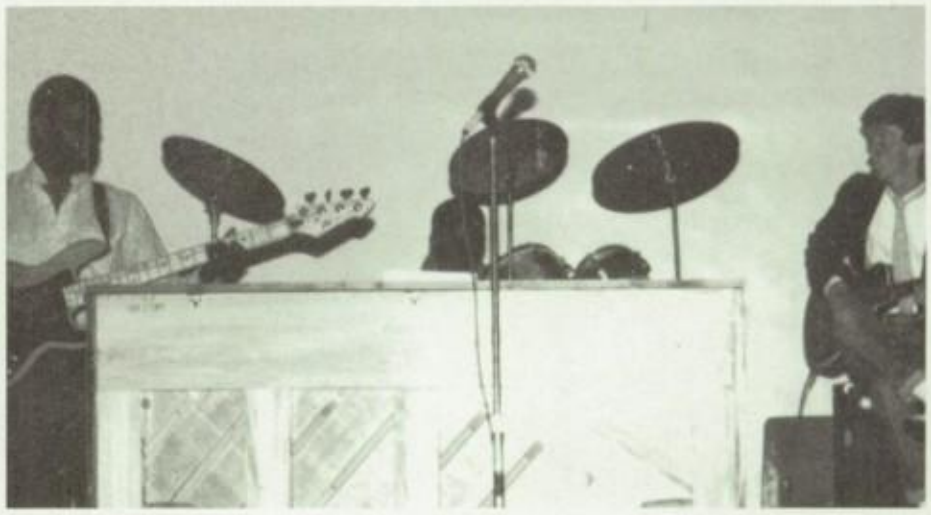




Freshman Orientation

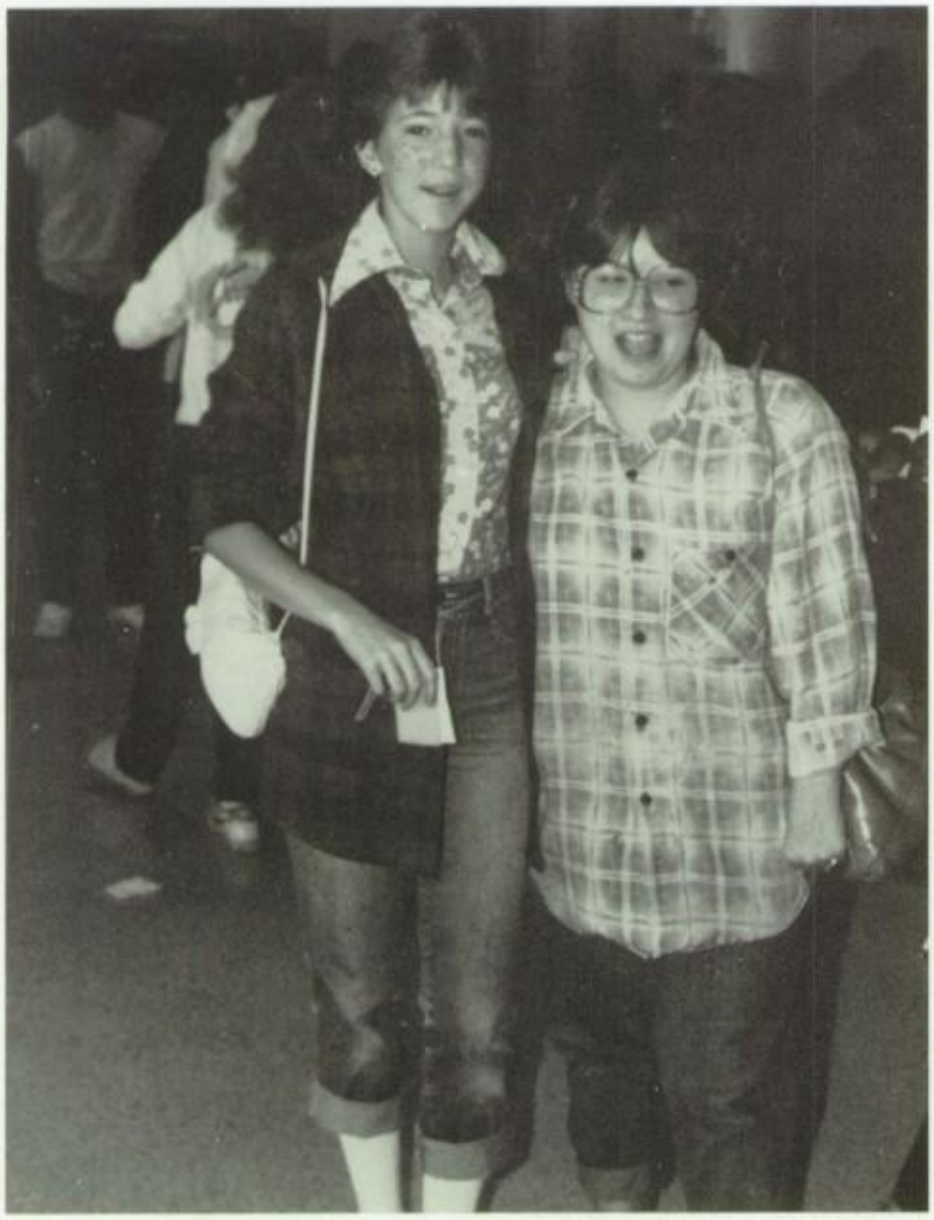
This year the freshman class was given a show by two performing groups. These groups were the Glencliff Chamber Choir and the Jazz Ensemble. This show made the newcomers aware of the strength and potential of our school's music department.

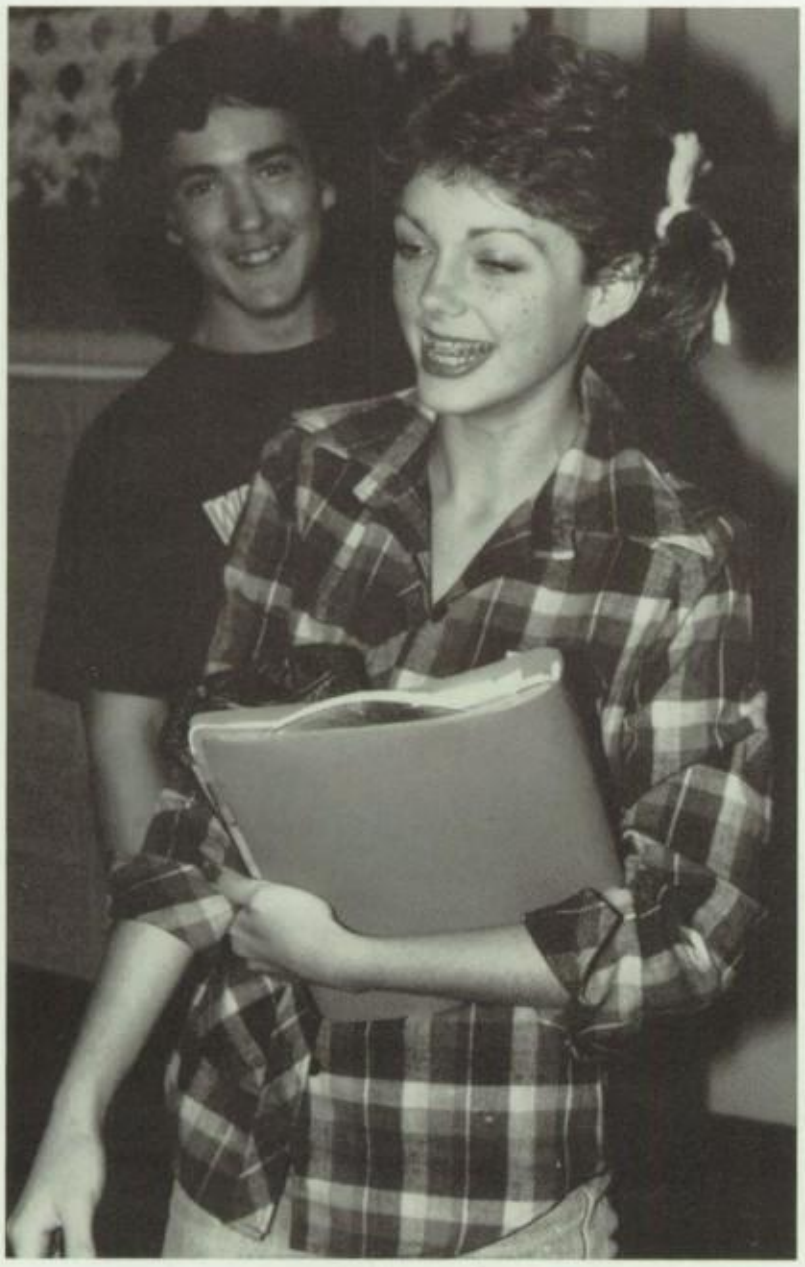
Rhodes
Peavey



Spirit Week

Homecoming Spirit Week included such dress up days as Farmer Day, Red and Blue Day, Nerd Day and Shades Day.





Homecoming

The Colts' 1984 Homecoming was played against the Antioch Bears. This event was preceded by much school involvement from our student body. This week included dress-up days, a bonfire, and a school dance. Each class competed well in the spirit chain and float competitions. It proved to be a great homecoming.

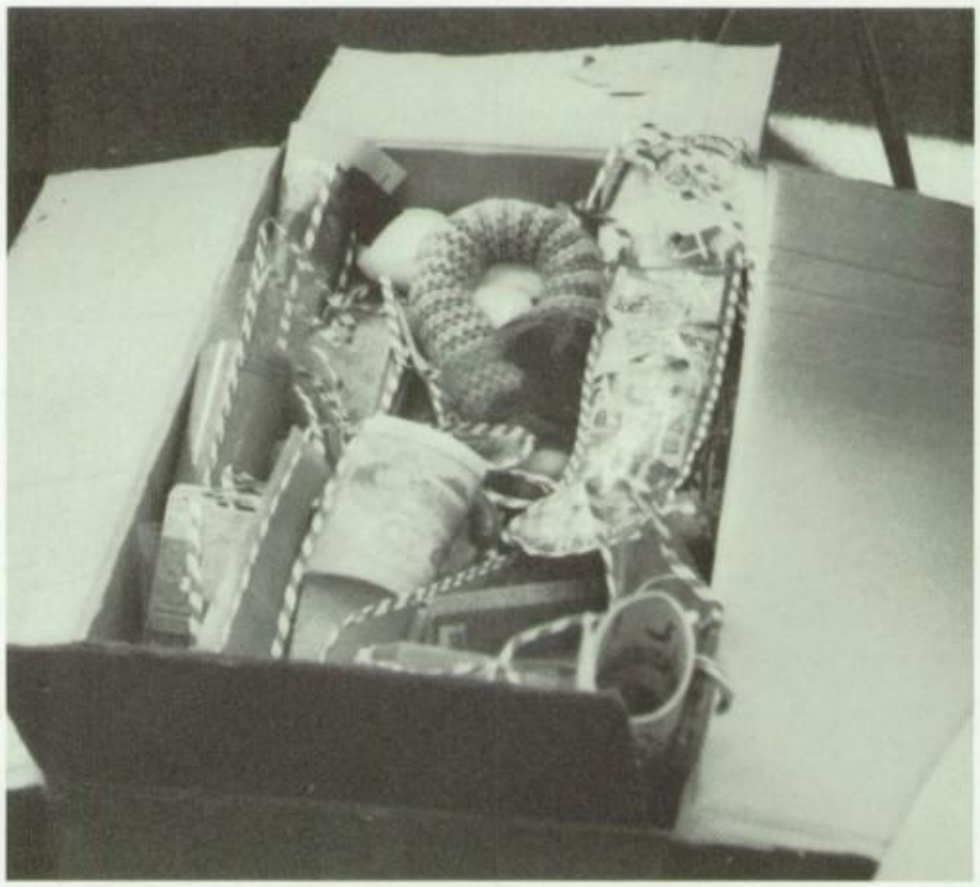
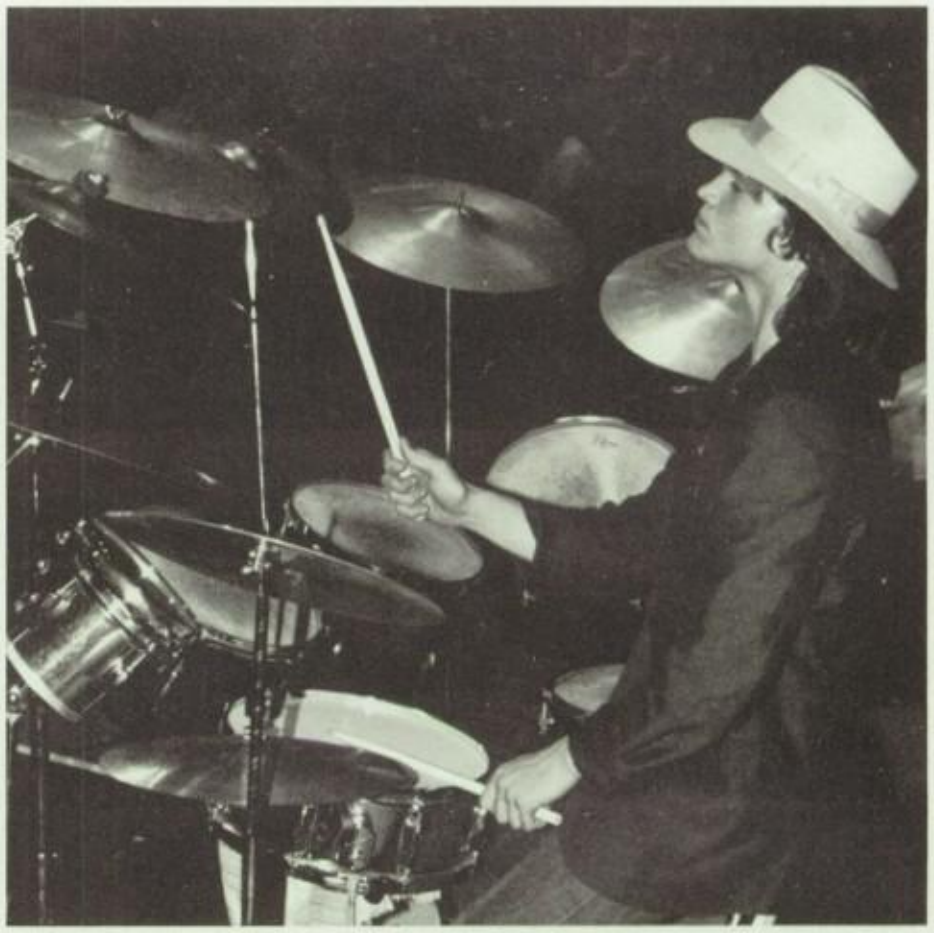
Brazilians Come to Glencliff

On October 19, 1984, Ilmar and Antonio from Manaus, Amazonas, located in Brazil, came to teach some of our students to play saloon soccer. They left on October 26, 1984, with all here looking forward to their return.



Food Drive for Christmas

Glencliff had one week this year before Christmas in which students were to bring cans of food and stocking stuffers. The results of the food drive were overwhelming and we also had many stuffed stockings.



Awesome

Glencliff has its very own pop band this year. They do many hits by Prince and The Time. This band consists of Charles Chambers (leader), Sean Denton, Tim Phillips, Teddy Jackson, David Hoffman, David Hartley, Lonnie Thompson, and Alfred Bryant. Awesome practices under the direction of Genius "J" (Mr. Jones). They have played in many pep rallies and given many concerts.

As the 1985 yearbook draws to a close, there are many people I would like to thank. First, I would like to thank Del Sanders for designing the great cover of the yearbook this year. Next, I would like to thank Mike Bostler and Kent Rockwood for the many photographs they made that were used in the yearbook. Also, I would like to thank Gail Fisher, Lisa Smythia, Kellye Jackson, Pam Hiland and the many other people who devoted their valuable time to selling, proofreading, etc., the yearbook. Last, I would like to give a *special* thanks to the 1985 yearbook staff and Mrs. Anderson. Their hard work, time, and patience made being the editor of the yearbook a pleasure, and made the yearbook the success it is. Again, I would like to thank everyone who gave of themselves to make the 1985 Round-up possible.

Sincerely,
Beth Trapp

Diane,
I'm really glad I got to know you and your sisters this year. It has been quite a experence. Hope to see ya next year or some time.
Love,
Toby

DIANE,
You're a very sweet person and good looking lady. I'm really glad we became friends. Who knows maybe we can get together sometime. Good luck in the future with everything. Keep 'em just right over the summer. Remember the road.
LOVE YA!

PS good luck in what ever you do
the rest of your life.

Diane,
You are a really wild + crazy girl who is very sweet. I'll always remember those boring classes with Sisson, but you always seemed to make it a little more enjoyable coming in happy all the time - if you know what I mean. Good luck in the future! Be good & stay out of trouble
